

What do you think about	😊	🙂	😐	☹	😞
equipment					
information					
cleanliness					
recreational value of the town					

What kind of activities have you done? [e.g. city stroll, guided tour of the cathedral, visit of the Carolus Thermen]

What kind of improvements would you suggest or what should be optimized in your opinion?

Optional details for possible further questions:

Name

Adress

E-mail

You can return this little questionnaire personally to us or throw it in our post box.

Discover and experience the most beautiful sides of the city of Aachen

Whether you want to go to the bus stop [0.4 km], to the local pedestrian zone [0.8 km] or to Aachen city centre [approx. 2 km], first walk down „Branderhofer Weg“ to the right.

You can reach the city centre in short time intervals with the bus lines that stop in front of the large Aral petrol station.

If you get off at the destination stop „Elisenbrunnen“, you will find yourself in the middle of the city centre. There you can easily reach all the sights [cathedral, town hall, market, Katschhof square, museums] as well as the shopping streets and pedestrian zones on foot.

With the ASEAG „Ticket-to-Wellness“, you can take the bus line 51 to the Carolus Thermen [open daily from 9 a.m. to 11 p.m.], enjoy 2.5 hours of thermal bathing [Sat, Sun and public holidays extra charge] and return completely relaxed. The ticket is available directly from the bus driver.

If the groundkeeper does not find you before your onward journey/departure, please pay the usage fee within an envelope prepared by us [to be found in the service room of the building] and drop it in the letterbox at the reception. Thank you very much!

The seal of quality stands for a high quality promise, which is awarded in accordance with a detailed catalogue of criteria and examined on an annual basis. More information under: www.top-platz.de

As a certified class-A-operation we believe that we have a particular duty to service quality.

If you have any further questions about Aachen, just get in touch with our guest advisors at the house of the guest „Haus des Gastes“ – they will be happy to help you in word and deed.

BENVENUTO

WELCOME

We wish you a pleasant stay and relaxing hours on our camper site

Information about your stay

Bread roll service

During the high season we offer a bread roll service in the morning. In addition, you will find the Moss bakery in close vicinity to the camper site at the crossroads Branderhofer Weg / Adenauer Allee [7 min. walk, go left at the exit up the road to the traffic lights, you will already see the bakery on the opposite side of the road].

Service and sanitary building

Our heated service and sanitary building are open for you throughout the day. During the day, the entrance door is unlocked. At night, please enter the four-digit door code, which you can find on the information board and confirm with „√“, then wait for the „beep“. You can then open the entrance door by „pulling“ it.

In the service room there is an information shelf with several helpful brochures and information. Please feel free to help yourself! Further information and brochures are available from the groundskeepers at the reception desk.

You can use the washing machine and dryer for 2 EUR per cycle. Please select the programme, press the start button and then drop coins [0,50€] into the machine slot [please only normal household laundry!].

You can use our four sinks with hot and cold water to wash your dishes. If possible, please do not use your own washing-up bowl, as otherwise the automatic water system will not switch off and the basin could overflow.

You will find showers, washbasins and toilets in the respective sanitary rooms or in our family bathroom. Please leave everything as you would like to find it yourself. Note: There is no extra charge for showering, but shower time is limited.

Waste disposal

Please sort your rubbish in advance. Containers for plastic, glass, paper and residual waste can be found to the right of reception.

Disposal column (St-San)

Our disposal column for waste water and sewage holding tanks is located at the exit.

Reception and groundkeepers

You will find our groundkeepers either on the grounds or in reception. They will be happy to help you with any questions you may have about your stay. They also collect the accommodation fee due.

Barbecue hut

We recommend our barbecue corner. Please keep the barbecue and hut clean for subsequent users.

Dogs

Dogs are allowed on the site on a leash. They can be walked in the adjacent Gillesbach valley. Please do not forget dog waste bags.

Water and power columns

Supply pillars for water and electricity [16A] can be found in the immediate vicinity of your chosen pitch. Electricity connections are also available on the tent meadow.

Tent meadow with seating opportunities

Our tent meadow offers quiet tent pitches as well as cosy and sheltered seating opportunities.

We always want to improve ourselves for you!

Please take some time – your answers help us to adapt the campsite to your individual requirements.

Many thanks in advance.

Did you use our campsite for the first time?

- ☐ yes
- ☐ no

What drew your attention to us?
